

OUR PROFESSIONAL EMPLOYMENT ORGANIZATION (PEO)

RUN YOUR BUSINESS WITHOUT YOUR BUSINESS RUNNING YOU

Compound Profit's PEO Solutions let you get back to running your business and away from the demands of employment administration.

What are other industry leaders saying about PEO's?

“Human Resources Outsourcing Can Boost Bottom Line.”
—Inside County Business, May 2003

“PEO's Can Help Small Companies Grow.”
—The Business Journal, April 25, 2003

“Professional Employer Organizations: The Wave of the Future.”
—Nevada Business Journal, May 2003

What is a Professional Employer Organization (PEO), and what does it do?

A PEO becomes the administrative employer while you remain the work site employer. A PEO allows you to keep your current staff, yet be free of the administrative burden. It assumes administrative and personnel functions, including: Payroll Services, Government Paperwork, Employee Benefits, Workers' Compensation Administration, and Risk Management.
